

# Do something little & make a **BIG** impact.

**The Arc of St. Lucie County needs your support as a Corporate member.**

This year our disabled children and adults need everything from dental work, to bedroom furniture, to help paying for prescription co-payments, to vocational training so they can find a job.

*--we help them do all of these things and more.*

Your Corporate membership with us will also give you membership in The Arc of Florida and The Arc of the United States. This means you will have access to all of the information they have to offer too- and stay in the know! Be a part of the largest grassroots movement for the disabled in the nation.
